Mystery finds me in darkness  
Sun won't shine  
Blistering pain from a passed life  
Cross that line

Into the moonlight I ride  
One way trip to the other side  
Into the moonlight I ride  
Losing my grip I cannot hide

Standing on top of a mountain  
Long way down  
Hearing the voice of a madman  
Hit the ground

Into the moonlight I ride  
One way trip to the other side  
Into the moonlight I ride  
Losing my grip I cannot hide

Into the casket I go  
Debt has been paid seeds have been sown  
End of the line all that I know

Into the inferno I crawl  
Licking the flames tasting my fall  
Melting away sirens that call

Into the moonlight I ride  
One way trip to the other side  
Into the moonlight I ride  
Losing my grip I cannot hide

Dreaming about  
My passed life

Into the moonlight I ride  
One way trip to the other side  
Into the moonlight I ride  
Losing my grip I cannot hide

Oh I can't hide

From my passed life

Oh I can't hide  
From my passed life
