Fast and furious we ride the universe
To carve a road for us that slices every curve in sight
We accelerate, no time to hesitate
This load will detonate whoever would condemn this
right

Born to lead at breakneck speed with high octane
We're spitting flames

Freewheel burning, freewheel burning

On we catapult, we're thrusting to the hilt
Unearthing every fault, go headlong into any dare
We don't accept defeat, we never will retreat
We blaze with scorching heat obliterations everywhere

Born to lead at breakneck speed with high octane
We're spitting flames

Freewheel burning, freewheel burning

Look before you leap has never been the way we keep,
our road is free
Charging to the top and never give in never stops the
way to be
Hold on to the lead with all your will and concede you'll
find there's life
With victory on high

Look before you leap has never been the way we keep,
our road is free
Charging to the top and never give in never stops the
way to be
Hold on to the lead with all your will and concede you'll
find there's life
With victory on high with victory on high

Freewheel burning, freewheel burning
Freewheel burning, freewheel burning

Freewheel burning, freewheel burning
Freewheel burning, freewheel burning
