Whoa, c'mon  
Close the city and tell the people that something's  
coming to call  
Death and darkness are rushing forward to take a bite  
from the wall, oh  
You've nothing to say, they're breaking away  
If you listen to fools, the mob rules  
The mob rules  
Kill the spirit and you'll be blinded, the end is always  
the same  
Play with fire, you burn your fingers and lose your hold  
of the flame, oh  
It's over, it's done, the end is begun  
If you listen to fools, the mob rules  
You've nothing to say, oh they're breaking away  
If you listen to fools  
Break the circle and stop the movement, the wheel is  
thrown to the ground  
Just remember it might start rolling and take you right  
back around  
You're all fools  
The mob rules
