(Chorus)

I sell my soul to the devil for a.45 a black cowboy hat  
and a switchblade knife  
I might burn like a sinner if they take my life but it's a  
cold day in hell before they take my life  
I sold my soul to the devil for a.45 a black cowboy hat  
and a switchblade knife  
I gonna burn like a sinner if they take my life but it's a  
cold day in hell before they take my life

I sold my soul to the devil for this mic in my hand but I  
aint ever gonna sell out (sell out)  
A million dollars for my name to expand take all ya  
fans and ya brand and you can get the hell out (hell  
out)  
We really live in some fucked up times so many  
fucked up minds inspire fucked up crimes  
And they be quick to sell you out in the drop of a dime  
to many cowards motha fuckas livin life with no spine (  
we in a bind)

(Chorus)

I sell my soul to the devil for a.45 a black cowboy hat  
and a switchblade knife  
I might burn like a sinner if they take my life but it's a  
cold day in hell before they take my life  
I sold my soul to the devil for a.45 a black cowboy hat  
and a switchblade knife  
I gonna burn like a sinner if they take my life but it's a  
cold day in hell before they take my life

My belly ache from these fake little snakes who came  
and go as they please just to get what they need (they  
need)  
They use our name just to get a little fame and then it's  
out like a flame I wanna make these fuckers bleed  
(bleed)  
Like some hooker on the street sellin pussy just to eat  
take the money and run I wanna take out my heat  
Pull up on em while they sleepin put-em six feet deep  
disrespectin psychopathic put a tag on ya feet (go to  
sleep)

(Chorus)

I sell my soul to the devil for a .45 a black cowboy hat  
and a switchblade knife  
I might burn like a sinner if they take my life but it's a  
cold day in hell before they take my life  
I sold my soul to the devil for a .45 a black cowboy hat  
and a switchblade knife  
I gonna burn like a sinner if they take my life but it's a  
cold day in hell before they take my life

(Hook)

road  
You think that they don't see but everybody fuckin
