[Verse 1:]

Country Life

Front porch livin swiggin wiskey and mescaline
Swinging fly swatters catchin trails from that ketamine
We on some otha level country like a Muthafucka
As the way I'm living shit they ain't no otha muthafucka
Give me mosquitoes and a moon-lit night
Give me a red dirt road and I'll be doin all right
Sittin down by the river bottle of Gris mill
Double fistin evan williams steady climb'n heaven's hill
This is what it's all about I couldin ask for nuthin betta
Me Myslf i'm high fucked up light as a feather
I hear them crickets cherp'n
I think I'll lay back and listen
I got a line off in the water but i ain't thinkin about fishin

[Chorus:]

This... is country life
This is the life for me
liquor,cars and tittie bars
This is the life for me

[Verse 3:]

Rusty cars off in the yard
Bitches booze and tittie bars
That's the way we livin drink our liquor Straight up out

Rollin wood
We blowin smoke poppin pills until we choke
180 proof to wash it down and that's all she Wrote and
if it kills me bury me in red clay and
let it all be catered by the Ol' Country Buffet
Pass the whiskey bottle and drink it like your Full grown
and let them bitches dance it buck naked on
My tombstone

[Chorus: X2]

This... is country life
This is the life for me
liquor,cars and tittie bars
This is the life for me
Country... till I die...
This is the life for me
liquor,cars and tittie bars
This is the life for me
