Like stuff started coming out and at the time
I thought it was (pee pee, pee)
I didn't know until it would squirt
until I got into porn (pee, pee)
but the whole time I just thought I, I
was I was peeing, I was cumming but pee
was comming out (pee)
really when I'm playing with my clit or
I have a I vibrator or getting fucked really
hard I can squirt (pee)
or I having some (pee) fantasy in my head (pee) or...
The sins of the flesh
a fascination with death
while suffocating your breath
it's torture mixed in with sex
I wanna get you undressed
And lick the blood from your chest
And everything I request
I know be keeping you wet
My sado masochistic baby dressed in leather and lace
ya far from a fuckin lady but ya sweet to the taste
you love it when I tie ya down and put the gun in ya
face
And every time we get together could be our final
embrace
I'm on some other kinda level when I got you in bed
it's like ya fiendin for the semen when ya givin me
head
the liquid pourin out ya veins stain these white sheets
red
Eyes rollin back it's like ya one with the dead.
can't wait to see you
In that see through
Fuck until yo pussy bleed that's how we do
You wanna taste pain
And make the blood rain
Bustin nuts and bustin veins until you
scream my muthafuckin name.

[Chorus:]

She wants the kinky stuff
the likes it hard and rough

Another kinda love
(My little Freak Bitch)
she's really into pain
I'm really glad she came into my world
and I need (My little Freak Bitch)

She wants the kinky stuff
the likes it hard and rough
Another kinda love
(My little Freak Bitch)
she's really into pain
I'm really glad she came into my world
and I need (My little Freak Bitch)

It's like ya legs can't get along
cause they always separated
When I got you all alone this fuckin freak that I created
asficiation wit ya thong got you open and sedated,
hear the screams, an hear the moans
I know the neighbors really hate it
close the mutha fuckin shades cause we breakin the
law,
slicin ya wrist cut ya throat while takin dick in ya jaw,
you whisper end my fuckin life right
when I'm dickin ya raw,
holdin ya breath close to the death
right in the thick of it all,
I know that you was what I needed in
that Tripp black miniskirt,
Hot Topic Shoppin, wit ya girls a lil fuckin flirt,
surprised by the fact that you was inta all kinds of dirt,
surprise in ya eyes when I made ya fuckin pussy squirt,
grab you by the dred locks put u in a head lock,
choke you till you twitchin baby jus
don't make the bed rock,
now you know what I got for that little
hot fox take ya to the limit
now you all about some boondox

[Chorus:]

She wants the kinky stuff
the likes it hard and rough
Another kinda love
(My little Freak Bitch)
she's really into pain
I'm really glad she came into my world
and I need (My little Freak Bitch)

She wants the kinky stuff
the likes it hard and rough
Another kinda love

(My little Freak Bitch)
she's really into pain
I'm really glad she came into my world
and I need (My little Freak Bitch)

[Violent J:]

Her assholes blewout like a fat kids socks
but she love her some boondox, (My little freak bitch)
She gets wet like a water balloon just popped in her lap
when he raps, (My little freak bitch)
The freak knows jus how to control ya
with her pancake areolas, (My little freak bitch)
She got a tattoo all on her twat,
a big stage shot of boondox, (My Little freak bitch)
She likes dick when it's up in her butt
it makes her quack like a pond duck, (My little freak
bitch)
She blows nuts hummin boondox covers
and she keeps all his old rubbers, (My little freak bitch)
She drives a ten speed behind the bus
and wont let go of his nuts, (My little freak bitch)
She ain't a groupie or a hoe like that
she just love eatin dick splat, (My little freak bitch)
