Godforsaken left to rot an orphaned bastard child
mutated product born of incest left out in
the wild a bloody bastard lies abandoned still tied to
the cord open his eyes to see more
darkness in an evil world so much pain filled with hate
shapes his simple mind don't know how
don't know why no scene of days no scene of time all
he knows is what he sees and that the beast
of fame rippin flesh to survive embedded in his fuckin
brain raised by the woods provided goods
enough for sure survival; no way to read but in his
hands he totes a tattered bible he doesn't
have a neighbor he knows there is more like him and they
are goin to pay for his affliction

There ain't gon be no sequel
This here is in bred evil
Everybody must die
everybody must die
everybody must die

There ain't gon be no sequel
This here is in bred evil

Everybody must die
everybody must die
everybody must die

Like canopies all the trees provide the perfect cover
hikers bikers campers steamed up windows
from the youngest lovers unaware of the eyes that
watch waitin patient licks his lip and grins
excited droolin heart is fuckin racing so many last on
these roads and trails that lead out
here slaughtered ripped to pieces open stomachs like
baby jeer you see the fear on the faces

There ain't gon be no sequel
This here is in bred evil
Everybody must die
everybody must die
everybody must die

There ain't gon be no sequel
This here is in bred evil
Everybody must die
everybody must die
everybody must die

This the product of a broken inbred situatiom proof that
man is born evil been that wat since creation
