[Chorus]

Love me tender, love me true  
Guess what she's goin do to you  
Flesh & steel she'll take your life  
All because the love of my life is a knife  
Love me tender, love me sweet  
Cuts right down to the white meat  
Flesh and steel she'll take your life  
All because the love of my life is a knife

The only thing up on my mind is how to get this bitch  
undressed  
She like a new toy straight up out the wrapper  
Thinkin bout the situation got the butterflies  
Im laughin like a hyena and no she aint shy neither  
Everybody that she see will be dyin when they meet her  
With a long lean body baby built to perfection  
Love lookin at her cause I'm seein my reflection  
Bringin out the best of me always sittin next to me  
Just thinkin about her in my hands its almost as close  
as sex to me  
She keeps my heart beatin like a high school drum  
I cant wait till I get home from work so we can spend  
some time  
She's lying there when I'm pullin back the cover  
And its just only me & her but this cant work without  
another  
So its gonna be a late night my bitch is on a mission  
Lookin for the next victim about to make this  
proposition

[Chorus]

Started off the night up at the tops & tails  
Bitch be sittin off the deck & so we hoppin rails  
Cause my babygirl hot we gotta keep that low profile  
And what we bout to do could be considered sick & so  
vile  
Make a straight line up to the VIP  
A stripper lady named Mercedes & my girl & me  
She started dancin for the money lookin so divine  
And when my honey touched her skin it sent a shiver up  
her spine

Lookin at me kinda crazy soundin slightly bold  
Askin why the fuck my touch be so hard & cold  
So I'm lookin at her back but didn't open my mouth  
Because I knew that it was time to turn this fuckin  
whore out  
Now I'm starin at her titties feelin something like a  
sinner  
Almost didn't even know thats when my bitch just slid  
up in her  
And now its something like a threesome and I'm suckin  
on her breasts  
While my baby got her cummin cause she's fuckin her  
to death  
My girl the best

[Chorus]

[Skit]
