[Verse 1]

Pitch black red clay screams echo from the trees kudzu covers every living thing and dead folks seen down by the side of the road voodoo chants to echos and the squak of the crows yeah who knows just what you'll find on a midnight ride if ya stoppin for a piss or if ya battery dies you'll wanna keep on movin don't stop for a second there's a thousand lost souls who fuckin learned that lesson

[Bridge]

Somewhere past the old cemetary there's a place where evil death live the sun nevers shines and the devil walks by this place ain't nothin to mess with (Red Dirt Road)

[Chorus]

You'll die all alone where no one knows so don't ride down that old red dirt road

[Verse 2]

Blood chills and spills just like a liquid and theree's somethin in the air that don't quite right a red head dead bride floats by ya ride a staind dress that once was bright white baby breathe and steps on ya window while somethin invisibles screamin from a mossed shed decapitated spirit fade if ya near it then appears in ya backseat lookin for it's head

[Bridge]

Somewhere past the old cemetary there's a place where evil death live the sun nevers shines and the devil walks by this place ain't nothin to mess with (Red Dirt Road)

[Chorus]

You'll die all alone where no one knows so don't ride down that old red dirt road

[Verse 3]

suicide sollution the confusion many lost souls are restin peices breezes blow through the trees they grab the trigger and squeeze then let their spirits join the

other deceased it pleases the demons screamin
needin more of the same the necromicon is burned
into this place like a flame and its callin ya name the
dirt road leads to hells gates welcome into the evil into
death it's here hell waits

[Bridge]

Somewhere past the old cemetary there's a place
where evil death live the sun nevers shines and the
devil walks by this place ain't nothin to mess with (Red
Dirt Road)

[Chorus]

You'll die all alone where no one knows so don't ride
down that old red dirt road
