would I be better off laid in a 6 foot hole  
a body rotting eyes closed with no conscious of a soul  
never knowing never feeling with no memories of  
being  
only ashes laid to ashes never loving never seeing  
just a corpse and of course there'd be no rising of the  
dead  
no apocalypse of zombies and no cracking open heads  
with no eating of the brains because i couldn't stand  
the pain  
pitch black nothing zero headstone and a name

bridge:

where i die i dunno where i'm gonna be  
but i know it's a one way ticket  
and when i die i dunno where i wanna be  
but i know i'll stay wicked

chorus:

I don't know where i'm gone go but when i get there  
they gone know i'm wicked  
and i run the show and i'm wicked and i'm a juggalo  
and i'm swingin swingin hatchets while i'm screamin  
psychopathic and i'm wicked

would i be better off laid in flames and burining for  
eternity  
and should i bite my tongue and never sin and walk a  
righteous path  
or will i feel the devils pitchfork stickin in my righteous  
ass  
wake up to the smells of flesh thats slowly burnin like a  
pinner  
listen to the screams of sinners roastin like a chicken  
dinner  
everyday in hell the temperature would be a fucken  
scorture  
and everyday in hell a new experience in human torture

bridge:

where i die i dunno where i'm gonna be  
but i know it's a one way ticket

and when i die i dunno where i wanna be  
but i know i'll stay wicked

would i be better off with streets of gold and a halo  
angel wings  
and floatin on clouds just chillin while a choir sings  
every single female old booty sportin double d's  
quick to take a dick and on command be blowin like a  
breeze  
never bein broke or feelin sick and liquor on tap  
pac and biggie droppin by to ask where where the  
weed at  
call it shangrila or heaven i just hope then listenin  
and even though hell is callin prey for me they let me in

bridge:

where i die i dunno where i'm gonna be  
but i know it's a one way ticket  
and when i die i dunno where i wanna be  
but i know i'll stay wicked
