Some people will do anything for you
Some people live and think that they own you too
Some people like to think by now at all
Some people just don't see it when they fall
*Tell me why, tell me why
There's no sun in your sky
Tell me why, tell me why
There's no love in your eyes
Tell me why, tell me why
There's no sun in your sky
Tell me why, tell me why
There's no love in your eyes
Sometimes i want to scream and shout at you
Sometimes i want to sing my joy to you
Sometimes i wanna leave it all behind
Sometimes i don't know where to start at all
