Sometimes inside looking out
Sometimes coffee trigger life
Like a thief of paradise
Im a lost in a shooting dice
Sometimes heaven open so
Right away
I don't wanna go (I don't want to go)
I don't want to go where the others go
And i don't wanna know (I don't want to know)
I don't wanna know what the others know
Ive got friends who think i know
Ive got dreams that don't let go
Ive got hopes and i got this
I got laughter i got tears
I got sunshines in my life
I got you
/But i don't want to go (i don't want to go)
I don't want to go where the others go
And i don't wanna know (i don't want to know)
I don't wanna know what the others know/
I don't wanna know
(Insturmental)

/But i don't want to go (i don't want to go)
I don't want to go where the others go
And i don't want to know (i don't want to know)
I don't wanna know what the others know/
I don't wanna know
