Don't you think it's magic
What i'm tryi'n to say is
Dy'in to say is
I beleive it's magic
You and me
X2
Magic is the way you turn to me
Magic is the way you make me see
What became so fand of dreams and
What will set us free
Magic makes us up and
Magic lets us be
Don't you think it's magic
What i'm try'n to say is
Dy'in to say is
I beleive it's magic
You and me
Don't you know it's magic
What i'm try'n to say is
Dy'in to say
I'm sure it's magic
You and me
-magic i realise there watchin me-
-magic is the smile you want to see-
I can see into your heart
And all odds with me
Cause magic makes us up
And magic lets us be
Don't you think it's magic
What i'm try'in to say is
Dy'in to say is
I beleive it's magic
You and me
Don't you know it's magic
What i'm try'in to say is
Dy'in to say is
I am sure it's magic
You and me.....
Yeah,yeah
Yeah,yeah
-it's magic-
Yeah,yeah

I just wanna be with you
Magic's comi'n over me
It's only love that i'm given
To your roam that i can see
Repeat chorus till fade
