if your gonna save the day
and your hearing what i say
i feel your touch , your kiss
is not enough
and if you believe in me
dont think my loves for free
i wont take nothing less
than a deeper love

(chorus)
let me tell you , you
you know
IIIIIIII, i need a miracle
i need a miracle
its more than physical
what i need to feel from you

tell me that you understand
and you take me as i am
youll always be the one to give me everything
just as i thought no-one cares
your the answer to my prayers
you lift my spirits high
come on and rescue me

let me tell you , you
you know
IIIIIIII, i need a miracle
I need a miracle
its more than physical
what i need to feel from you

let me tell you , you
you know
IIIIIIII, i need a miracle
I need a miracle
its more than physical
what i need to get me through

heyyyyyy ,
i need a miracle , i need a miracle
ohhhhhh ohhhhhh,

i need a miracle , i need a miracle

let me tell you , you
you know
IIIIIIII, i need a miracle
I need a miracle
its more than physical
what i need to get me through

let me tell you , you
you know
IIIIIIII, i need a miracle
i need a miracle
its more than physical
what i need to feel from you
