For the last hundred days I did a hundred shows,  
The next prayed to do another more,  
I'm buying a hundred broads, break a hundred laws,  
I'mma keep it one hundred,  
One hundred, for ya all!  
I'mma keep it one hundred,  
One hundred, for ya all!  
I'mma keep it one hundred,  
One hundred, for ya all!

I'm gonna keep it one hundred  
While you are keeping it ninety nine,  
When it comes to Romeo, dudes are far behind,  
When it comes to glam  
I'm absolutely positively, definitely shinning,  
These niggers say they bought it, but they defiantly  
lying,  
Indefinitely cowards, 'and make em pass the  
showers.  
Get your pussy... bucks an hour,  
The suitors keep it one hundred, keep...  
... muffins, I think they got it!  
You are money addicts and you are idiotic,  
Please don't meet the... take me to the tropics,  
A bunch of Louis luggage, I'm a Louis addict, 'a  
... a hundred Louis fabrics.  
If we're doing it in... we keep it one hundred,  
... I'm a Louis'  
You are all in the hood style, we are still at it',  
Stand up nigger, never'  
Stand up... night or morning,  
Super one hundred all night, all morning!  
... should have warned you,  
Let the one travel!

...

I wanna keep the real gangsta, Kane in my pocket,  
Some dumb ticket, another try to knock it'  
I was born on one '  
What you got to understand,... young niggers feel!  
I feel like I've been running for one hundred fucking

days,  
Another hundred hours make a nigger feel crazy!  
The cheater... in an office'??  
I'??m looking'?? another mother fucking still looking for  
the'??  
And niggers... try to keep it one hundred.

Keep it one hundred cause I do it for ya all,  
Champ, I pour more... I'??m on!  
I'??m sick, you never catch me,  
Understand '?? that'??s for pissed nigger I want it, I  
make the call!  
Impossible to... I see '??em I take '??em home,  
I love '?? em like when in spring'??  
Like knees on the trees speaking'??  
I keep it one hundred I was looking at your'??  
You dream, I'??m hating that, in real life'??  
... bring to it like this!  
... I probe the whole world,  
And all your hot weapons '??  
They knew my name bitch'??,  
Please don'??t waste my time, run around, talking fly,  
... bitch, I'??ll tell you why!

Cause for the last hundred days I did a hundred  
shows,  
The next prayed to do another more,  
I'??m buying a hundred broads, break a hundred laws,  
I'??mma keep it one hundred,  
One hundred, for ya all!  
I'??mma keep it one hundred,  
One hundred, for ya all!  
I'??mma keep it one hundred,  
One hundred, for ya all!

One hundred, son done it, you gone...  
You exile where I live, cause I run it!  
You don'??t want it top shit, but don'??t bust it,  
They stop your ass out, you don'??t flush it.  
One hundred, keep counting!  
One thousand, marble floors, glass doors in my  
houses,  
You... nigger stop, you just browsing,  
While I'??m '??  
One hundred, daddy be just...  
That was just one hundred million for the billion,  
nigger'??!

Round bag filled with one hundred bills,  
Zip lock filled with a hundred pills.  
Welcome to'?? where niggers got a hundred skills,

And every summer month filled with a hundred kills,  
In 2000 they gave a hundred '??  
But only ones who kept one hundred still,  
Fuck one hundred broads, driving a hundred cars,  
Spitting a hundred bars, being with a hundred stars.  
Don'??t be star struck, please don'??t embarrass us,  
Game all fucked up, I'??ll let the money cheer us up!  
Don'??t try to fucking act like you can'??t hear us,  
cause '??  
That'??s where it was supposed to be, '??  
Yeah, where hip hop ends ultimately death and every  
breath, yes!  
... kill '??em all, just wait and see!  
Yeah, just pray for me'??.  
Four hundred days through!
