"Suffer In Silence"

Come back, show your face
Don't you see
your too good for this place
can we leave.
its not your fault, what they say
Don't believe..

or would you rather suffer in silence.
and defeat
or would you rather suffer in silence
needlessly

Ah come on, show the way
I'll believe
Welcome back, you've been away
How's it been.

or would you rather suffer in silence.
and defeat
or would you rather suffer in silence
needlessly..

wake up.. its your love calling..
