Come back, show your face, don't you see  
You're too good for this place, can we leave  
It's not your fault, what they say, don't believe  
Or would you rather suffer in silence and defeat?  
Or would you rather suffer in silence needlessly?

Ah come on, show the way, I'll believe  
Welcome back, you've been away, how's it been  
Or would you rather suffer in silence needlessly  
Or would you rather suffer in silence and defeat

You don't have to suffer in silence and defeat  
You don't have to suffer in silence needlessly  
You don't have to suffer in silence and defeat

You don't have to suffer in silence needlessly

Wake up, it's your love calling  
Wake up, it's your love calling  
Wake up, it's your love calling  
Wake up, it's your love calling

Wake up, it's your love calling  
Wake up, it's your love  
Wake up  
Wake up, it's your love

You don't have to suffer in silence and defeat  
You don't have to suffer in silence needlessly  
You don't have to suffer in silence and defeat  
You don't have to suffer in silence needlessly  
You don't have to suffer in silence, yes you don't

Wake up, it's your love calling  
Wake up, it's your love calling  
Wake up, it's your love calling

Wake up  
Wake up
