"When Your Mind's Made Up"

So, if you ever want something
and you call, call
then iÂ'll come running
to fight, and iÂ'll be at your door
when thereÂ's nothing worth running for,

when your mindÂ's made up
when your mindÂ's made up
thereÂ's no point trying to change it
when your mindÂ's made up
when your mindÂ's made up
thereÂ's no point trying to stop it

you see, youÂ're just like everyone
when the shit falls all you want to do is run, away
and hide all by yourself
when youÂ're far from me, thereÂ's nothing else

when your mindÂ's made up
when your mindÂ's made up
thereÂ's no point trying to change it
when your mindÂ's made up
when your mindÂ's made up
thereÂ's no point even talking
when your mindÂ's made up
when your mindÂ's made up
thereÂ's no point trying to fight it

so, if you ever want something
and you call, call
then iÂ'll come running
