I was all smiles when I sighted on that dotted line
And after fter these thousands of miles
I don't know what in life is mine and what's been taking
from me
There's so much I could say, but I don't know where to
start
where to start, where to start
I took the bullet and I never thought twice
I'm always the coolest when there's money in their eyes

Let's burn down this angel town, let's burn Hollywood to
the ground

Cynics all around (cynics all around)
they wear masks I wanna see
(They wear masks I wanna see)
They make audible sounds but never say anything
How can I give you my life?
There's nowhere left to go when it's over
I took the bullet, took the heat, I took the fall
I guess I was foolish to believe after all

Let's burn down this angel town, let's burn Hollywood to
the ground
They took all my dreams and all of my things
My family counted on me and I can't let them down (let
them down)

Let's burn down Hollywood, 'cause Hollywood,
Hollywood lied

Let's burn down this angel town, let's burn Hollywood to
the ground
They took all my dreams and all of my things
(Let's burn down Hollywood)
My family counted on me and I can't let them down (let
them down)
('cause Hollywood, Hollywood lied, let's burn down
Hollywood)
I let you down
('cause Hollywood, Hollywood lied)

Let's burn down Hollywood, 'cause Hollywood,
Hollywood lied

Ohohoh, ohohoh, ohohoh, ohohoh
