Hey man what's it take
to get a drink around here?
Cause I've lost my will again, again

Is this the part we read about
when we were young?
How it's so hard to face the truth
and give it up.
But there's no one left to blame.
No there's no one left at all.

Oh no, it looks like I've got a problem.
And I really don't if I will survive.
I'm never gonna make it alive.
I'm never gonna make it out alive.
I'm never gonna make it alive
and that's fine tonight
cause I can always quit tomorrow.

I'll find my will again, again.
Is this so bad
I only want to live this up.
A new city each night
It's hard to give it up.
Cause they only know my name
Yea they don't know my shame at all...oooh.

Oh no, it looks like I've got a problem.
And I really don't if I will survive.
I'm never gonna make it alive.
I'm never gonna make it out alive.
I'm never gonna make it alive
and that's fine.

I hope it's not too late.
I never know when enough is enough.
And everytime I come to this place,
I get more than just a little buzz.
I don't know how much longer until I drown.
I don't know if I've got long enough
to another down.

Hey man, what's it take
to get a drink around here?

Oh no, it looks like I've got a problem.
And I really don't if I will survive.
I'm never gonna make it alive.
I'm never gonna make it out alive.
I'm never gonna make it alive
and that's fine tonight

I'll try!
