She said it's just like Hollywood  
Now I'm afraid  
Because the boy forgets the girl  
While she sits home and waits  
But you promised me you won't  
And you've never lied so please don't

If you want L.A. then go to L.A.  
Despite the miles between us  
My heart will never change  
Cuz you're all that it beats for  
When you walk back through that door

I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me no

You know I still get lost in your eyes  
With your lips and your kiss and your hand in mine  
You're all that I need  
And I promise I'll sleep for tonight  
Just knowing you're here by my side  
Don't give this up, don't give this up

I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me no

You keep on running, you're running away  
I'll be here waiting, wishing you could see  
But I'll just remember the promise that you made whoa

I'll keep on fighting, I'm fighting for you  
I swear I would give you the sun and the moon  
If you'll just remember the promise you made

Oh, oh, oh, oh  
I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me no  
I'm not saying that I don't believe

I'm exactly where I want to be  
Don't you take that from me  
Don't you take that from me

Whoa, whoa, whoa, whoa
