Pardon me for saying, I was afraid
She'd never give me the time of day
If love is a slow dance
I just hope for one chance

I hope time could stop
It's hard for me to breathe
She's really walking over here to me
What should I say, what should I do? No

Don't let this end now
Slow this dance down
I could stay here all night
Forever

This is not my strongest point, that she knows
She pardons me for stepping on her toes
I've heard she's a pageant queen
So, what's she doing dancing with me?

I hope time could stop
It's hard for me to breathe
She's really falling in love with me
What should I say, what should I do? No

Don't let this end now
Slow this dance down
I could stay here all night
Forever

Forever, dance with me forever
Teach me every step, every tip and every turn
Your arms around my neck
You make me want to learn

I'm only getting better

Don't let this end now
Slow this dance down
I could stay here all night
Forever

Don't let this end now
Slow this dance down
Don't let this end now
Don't let this end now

Slow dance
