I was all smiles  
When I signed on the dotted line  
And after these thousands of miles  
I don't know what in life is mine  
And what's been taking from me  
There's so much I could say  
But I don't know where to start  
Where to start, where to start

I took the bullet and I never thought twice.  
I'm always the coolest when there's money in their eyes

Let's burn down this angel town  
Let's burn Hollywood to the ground

Cynics all around  
They wear masks I wanna see  
They make audible sounds  
But never say anything  
How can I give you my life  
If there's nowhere left to go

When it's over I took the bullet, took the heat, I took the  
fall  
I guess I was foolish to believe after all

Let's burn down this angel town  
Let's burn Hollywood to the ground  
They took all my dreams and all of my things  
My family counted on me  
And I can't let them down  
Let them down

Let's burn Hollywood  
'Cause Hollywood, Hollywood lied  
Let's burn down this angel town  
Let's burn Hollywood to the ground  
They took all my dreams and all of my things  
My family counted on my  
And let everyone down  
I let you down

Let's burn down Hollywood  
'Cause Hollywood, Hollywood lied
