I was all smiles
When I signed on the dotted line
And after these thousands of miles
I don't know what in life is mine
And what's been taking from me
There's so much I could say
But I don't know where to start
Where to start, where to start

I took the bullet and I never thought twice.
I'm always the coolest when there's money in their eyes

Let's burn down this angel town
Let's burn Hollywood to the ground

Cynics all around
They wear masks I wanna see
They make audible sounds
But never say anything
How can I give you my life
If there's nowhere left to go

When it's over I took the bullet, took the heat, I took the
fall
I guess I was foolish to believe after all

Let's burn down this angel town
Let's burn Hollywood to the ground
They took all my dreams and all of my things
My family counted on me
And I can't let them down
Let them down

Let's burn Hollywood
'Cause Hollywood, Hollywood lied
Let's burn down this angel town
Let's burn Hollywood to the ground
They took all my dreams and all of my things
My family counted on my
And let everyone down
I let you down

Let's burn down Hollywood
'Cause Hollywood, Hollywood lied
