I was all smiles  
When I signed on that dotted line  
And after these thousands of miles  
I don't know what in life is mine

And what's been taken from me  
There's so much I could say  
But I don't know where to start  
Where to start, where to start

I took the bullet  
And I never thought twice  
I'm always the coolest  
When there's money in their eyes

Let's burn down this angel town  
Let's burn Hollywood to the ground

Cynics all around  
They wear masks I wanna see  
They make audible sounds  
But never say anything

How can I give you my life?  
There's nowhere left to go when it's over  
I took the bullet, took the heat, I took the fall  
I guess I was foolish to believe after all

Let's burn down this angel town  
Let's burn Hollywood to the ground

They took all my dreams  
And all of my things  
My family counted on me  
And I can't let them down  
Let them down

Let's burn down Hollywood  
'Cause Hollywood, Hollywood lied  
Let's burn down this angel town  
Let's burn Hollywood to the ground

They took all my dreams  
And all of my things  
My family counted on me  
And I let everyone down  
I let you down

Let's burn down Hollywood  
'Cause Hollywood, Hollywood lied

Oh, oh, oh, oh  
Oh, oh, oh, oh  
Oh, oh, oh, oh
