She said It's just like Hollywood and I'm afraid  
Because the boy forgets the girl while she sits at home  
and waits  
But you promised me you won't  
And you've never lied so please don't.  
If you want LA then go to LA  
Despite the miles between us  
My heart will never change  
'Cause you're all that it beats for  
When you walk back through the door

I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me  
No

You know that I still get lost in your eyes?  
With your lips and your kiss and your hand in mine.  
You're all that I need  
And I promise I'll sleep fine tonight  
Just knowing you're here by my side  
Don't give this up  
Don't give this up

I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me  
No

You keep on running you're running away  
I'll be here waiting, wishing you could stay  
But I'll just remember the promise that you made  
Whoa  
I'll keep on fighting and fighting for you,  
I swear I would give you the sun and the moon  
If you just remember the promise you made

I'm not saying that I don't believe  
I'm exactly where I want to be  
Don't you take that from me  
No  
I'm not saying that I don't believe

I'm exactly where I want to be  
Don't you take that from me  
Don't you take that from me
