Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away from the city but don't hesitate

'Cause your love won't wait, hey
Ooh, baby I love your way every day
Wanna tell you I love your way every day
Wanna be with you night and day

Moon appears to shine and light the sky
With the help of some fireflies
I wonder how they have the power shine, shine, shine
I can see them under the pines

But don't hesitate 'cause your love won't wait, hey
Ooh, baby I love your way every day
Wanna tell you I love your way every day
Wanna be with you night and day, uh, yeah

But don't hesitate 'cause your love won't wait
I can see the sunset in your eyes
Brown and gray and blue besides
Clouds are stalking islands in the sun
Wish I could dry one out of season

But don't hesitate 'cause your love won't wait, hey
Ooh, baby I love your way every day
Wanna tell you I love your way, uhh
Wanna be with you night and day

Ooh, baby I love your way every day
Wanna tell you I love your way, uhh
Wanna be with you night and day
