Who said, it's my year, was it you there?
Can't go wrong
I see a new way, you'll be in my play
Sing my song

Where is the reason, I keep teasin'
If I knew
Now to see the new year, not bein' blue here
All year round

Alright something's happenin'
Hold tight, it might be lightnin'
Turn up the lights something's movin'
Can't sleep at night, my heart keeps missing a beat

I know, it's my year, ain't got no fear
Hold me down
Take it easy if not for me
Sing my song

Where is the reason, I keep teasing
If I knew
Now to see the new year, not bein' blue here
Evermore

Alright something's happenin'
Hold tight, it might be lightnin'
Turn up the lights I feel like dancin'
Can't sleep at night, my heart keeps missing a beat

Ohh baby, don't ever let it bring you down
Ohh baby, that's not the way I want it to sound
Ohh baby, don't catch me when I'm runnin' around
Ohh baby, I'll pick you up if you're on the ground

Alright something's happenin'
Hold tight, it might be lightnin'
Turn up the lights I feel like dancin'
Can't sleep at night, my heart keeps missing a beat

Ohh baby, don't ever let it bring you down
Ohh baby, that's not the way I want it to sound

Ohh baby, don't catch me when I'm runnin' around
Ohh baby, I'll pick you up if you're on the ground

Ohh baby, don't ever let it bring you down
Ohh baby, that's not the way I want it to sound
Ohh baby, don't catch me when I'm runnin' around
