I'll give you money  
I'll give you lovin'  
I'll give you everything  
But Heaven above

I'll give you all I have right now  
I'll give you money  
I'll give you lovin', everything

I'll give you kisses  
Sweet as honey  
I'll do you everything  
'Cept make the sun shine

If I could change the world right now  
Make you happy, stop your cryin'  
Everything, everything

All of my life I've been dreaming  
Till you came my way  
All of your life aren't you searchin'  
For love forever?

All I need is someone to believe in me  
Even if you're losing  
What you've left behind? Everything

I think its funny  
Lost all my money  
I blew it all away  
But now I'm happy

I'll give you all my love right now  
I'll give you money  
I'll give you lovin'  
Everything, everything  
Money, everything, everything

Money, everything  
Money, everything  
Money, everything  
Money, everything

Money, everything  
Money, everything  
Money, everything
