I don't care where I go when I'm with you  
When I cry you don't laugh cause you know me

I'm in you - You're in me  
You gave me the love, the love that I never had

You and I don't pretend; we make love  
I can't feel anymore than I'm singing

I'm in you - You're in me  
You gave me the love, the love that I never had

Come so far when you think - you think back  
You can't buy what we made, you and I

I'm in you - You're in me  
You gave me the love, the love that I never had
