can't find no shelter
comin' out of the pain.
hurt myself leanin'
against the grain.
see the steam risin'
out of the hole.
must be the exits
wounds in my soul.

doesn't matter
doesn't matter to her
doesn't matter
if i had her i would give her the world
doesn't matter
love stands alone
love stands alone
doesn't matter no

once i was captured
by the fire in her eyes.
now when i look i see the whites of her lies.
my spirit is leavin'.
i feel light.
it can be heaven with her still inside.

doesn't matter
doesn't matter to her
doesn't matter
if i had her (if i had her)
i would give her the world
doesn't matter
love stands alone
love stands alone
love stands alone
love stands alone
doesn't matter no
doesn't matter (doesn't matter)
doesn't matter to her (love stands alone)
doesn't matter
love stands alone
if i had her (if i had her)
i would give her the world (love stands alone)

doesn't matter
doesn't matter no.
