Shadows grow so long before my eyes
And they're moving across the page
Suddenly the day turns into night
Far away, from the city

Don't hesitate
'Cause your love won't wait
Ooh baby, I love your way
I wanna tell you, I love your way
I wanna be with you night and day

Moon appears to shine, and light the sky
With the help, of some fireflies
I wonder how they have the power to shine, shine,
shine
I can see them, under the pine

But don't hesitate
'Cause your love won't wait
Ooh baby, I love your way
I wanna tell you, I love your way
I wanna be with you night and day

Well don't, don't hesitate
'Cause your love won't wait

I can see the sunset in your eyes
Brown and Grey, and blue besides
Clouds are stalking islands in the sun
I wish I could buy one, out of season

But don't hesitate
'Cause your love won't wait
Ooh baby, I love your way
I wanna tell you, I love you way
I wanna be with you night and day
Ooh baby, I love your way
