There's ringing in my ears
And no one to relate to 'cept the sea
Who can I believe in
I'm kneeling on the floor
There has to be a force who do I phone
The stars are out and shining, but all I really want to
know...
Oh won't you show me the way
I want you ...show me the way
Well, I can see no reason
You living on your nerves
When someone drops a cup and I submerge
I'm swimming in a circle
I feel I'm going down
There has to be a fool to play my part
Well someone thought of healing, but all I really want to
know...
Oh won't you show me the way (everyday)
I want you ...show me the way
I want you day after day
I wonder if I'm dreaming
I feel so unashamed
I can't believe this is happening to me
I watch you when you're sleeping, and then I want to
take your love
Oh won't you show me the way (everyday)
I want you ...show me the way
I want you day after day
Oh won't you show me the way (everyday)
I want you ...show me the way
I want you day after day
