I Wanna Take A Chance On Love

I wanna take a chance on love,
What about me and you?
I wanna take a chance on love,
What about us two?

I wanna take a chance on love,
What about me and you?
I wanna take a chance on love,
What about us two?

You can't save me tears tonight,
Even if you wanted to
I can't stay here wasting time,
I've got better things to do, and you

Now, I'm bein' serious,
Stop bein' so mysterious
You know my love is worth a try,
Let's see it through, and I...

Wanna take a chance on love,
What about me and you?
I wanna take a chance on love,
What about us two?

Tell me baby, When you take the time and see
If there could really be
You oughta know I'm tearin' inside
Don't let love pass you by
Hey baby, Let's give it all we've got
Let's give it what is hot
Let's make this show for show, Don't let me go, No no
Come back, make me love you

Wanna take a chance on love,
Oh, What about me and you?
I wanna take a chance on love,
What about us two?

Take a chance on love, now
Take a chance on love, now
Take a chance on love, now
Take a chance on love, now

Take a chance on love, now
(Take a chance on love)
Take a chance on love, now

Take a chance on love, now
(Take a chance on love)
Take a chance on love, now

Take a chance on love, now
(Take a chance on love)
Take a chance on love, now

Take a chance on love, now
(Take a chance on love)
Take a chance on love, now

I Wanna take a chance on love,
What about me and you?
(Take a chance)
(What about us two?)

I wanna take a chance on love,
What about me and you?
I wanna take a chance on love,
What about us two?

I wanna take a chance on love,
What about me and you?
