Looking out my window, staring through the pain
I can't see the rainbow for the rain
Someday Ill forget you, life goes on they say
But they don't know what's standing in my way

And there's a wall of tears, I've got to get over
Got to stop thinking of him, got to learn not to love him
I know the sun will shine
I'm gonna be fine but until then
The rains gonna fall just like a wall of tears

Another morning finds me, still not over you
Just another day to stumble through
You know the nights go on forever
And I've got nothing but time
But even time won't ease this heart of mine

'Cause there's a wall of tears, I've got to get over
Got to stop thinking of him, got to learn not to love him
I know the sun will shine
I'm gonna be fine but until then
The rains gonna fall just like a wall of tears

'Cause there's a wall of tears, I've got to get over
Got to stop thinking of him, got to learn not to love him
I know the sun will shine
I'm gonna be fine but until then
The rains gonna fall just like a wall of tears

The rain's gonna fall just like a wall
The rain's gonna fall just like a wall
The rain's gonna fall just like a wall
The rain's gonna fall just like a wall of tears
