I saw the harbor lights.
They only told me we were parting.
Those same old harbor lights
That once brought you to me.

I watched the harbor lights
How could I stop the tears from starting?
Some other harbor lights will steal your love from me.
I longed to hold you near
And kiss you just once more.
But you were on the ship
And I was on the shore.

Now I know lonely nights.
And all the while my heart is whispering.
Some other harbor lights will steal your love from me.
