You may think  
I'm just fine  
How could anything  
Ever be out of line?

I take my time  
To set the stage  
To make sure everything  
Is all in place

Even though I've got the lines rehearsed  
A picture only paints a thousand words

Things aren't always what they seem  
You're only seeing part of me  
There's more than you could ever know  
Behind the scenes  
I'm incomplete and I'm undone  
But I suppose like everyone  
There's so much more that's going on  
Behind the scenes

Sometimes I can't see  
Anything  
Through the dark  
Surrounding me  
And at times I'm unsure  
About the ground  
Beneath my feet  
If it's safe and sound

When it's hard to find hope in the unseen  
I have peace in knowing it will find me

Things aren't always what they seem  
You're only seeing part of me  
There's more than you could ever know  
Behind the scenes  
I'm incomplete and I'm undone  
But I suppose like everyone  
There's so much more that's going on  
Behind the scenes

Things aren't always what they seem  
You're only seeing part of me  
There's more than you could ever know  
Behind the scenes  
I'm incomplete and I'm undone  
But I suppose like everyone  
There's so much more that's going on  
Behind the scenes

You may think I'm just fine  
How could anything ever be out of line?
