Hello, old friend
I know it's been a while
I'm here again
And it won't be the last time
I fall apart
But You won't let me get too far
You're speaking to my heart

(Chorus)

It's good to know
It's good to feel the arms of grace
To know that my mistakes are covered by Your love
It's good to know
It's good to see that You won't change
When it's said and done
You'll always be enough
To know that I can always come back home
It's good to know
Oh, Oh, Oh, Oh
It's good to know
Oh, Oh, Oh, Oh

Goodbye, old me
Yeah there's so much more that I
Know I could be
So take my worries with
You when you leave
There's hope that I am counting on
'Cause I'm never too far gone

(Chorus)

It's good to know
That there's a second chance
Know that it's all in Your hands
Even if I just don't understand
'Cause I know that I will be alright
I finally see the other side
It takes the darkness to open up your eyes
Sometimes

It's good to know

It's good to know
I'm covered by Your love

It's good to know
It's good to see that You won't change
When it's said and done You'll always be enough
To know that I can always come back home
To know that You will never let me go
It's good to know
Oh, Oh, Oh, Oh
It's good to know
Oh, Oh, Oh, Oh
