Coffee cup waking me up  
I've got to board a plane  
And fly away sometimes  
I feel like I'm going the speed of light  
Can't relax I'm moving too fast  
I want to find the gold but I don't have a map  
I wish that I could know what you've got in store for me

(Pre-Chorus)

I try and try  
To read your mind  
'Cause I forget that patience is a virtue  
You're teaching me to hold on tight

(Chorus)

'Cause I don't know how the story ends  
But I'll be alright 'cause You wrote it  
I don't know where the highway bends  
But I'm doing just fine  
'Cause You're in control  
Even when I don't know  
Where my life's gonna go  
You're keeping me guessing  
So slow me down  
Show me around  
I want to see the world  
That I've been without  
I am here and now  
The future is out of my hands

(Pre Chorus)

I'm trusting you  
And how you move  
I won't forget that patience is a virtue  
You're teaching me to hold on tight

(Repeat Chorus)

(Bridge)

Seasons come  
And seasons go  
But you decide
