I lost my keys in the great unknown
And call me please 'Cuz I can't find my phone

This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess
I forget how big I'm blessed
This is the stuff that gets under my skin
But I gotta trust You know exactly what You're doing
It might not be what I would choose
But this is the stuff You use

45 in a 35
Sirens and fines while I'm running behind
Whoa

This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess
I forget how big I'm blessed
This is the stuff that gets under my skin
But I gotta trust You know exactly what You're doing
It might not be what I would choose

But this is the stuff You use

So break me of impatience
Conquer my frustrations
I've got a new appreciation
It's not the end of the world
Oh Oh Oh

This is the stuff that drives me crazy
This is the stuff
Someone save me
In the middle of my little mess
I forget how big I'm blessed
This is the stuff that gets under my skin
And I've gotta trust You know exactly what You're doing
It might not be what I would choose
But this is the stuff You use

Oh Oh Oh Oh
This is the stuff You use
