GET OUT OF BED,  
DON'T FORGET WHAT IT WAS YOU SAID  
Hey boy I hear you callin'  
But it's too early morning  
THE WORLD IS WAITIN' JUST FOR YOU  
I know, I know it is  
THE WORLD IS WAITIN' JUST FOR YOU  
GET OUT OF BED,  
DON'T FORGET WHAT IT WAS YOU SAID

Oh my, I must be dreamin'  
My arms and legs are screamin'  
THE WORLD IS WAITIN' JUST FOR YOU  
I know but not today  
THE WORLD IS WAITIN' JUST FOR YOU  
THE DAY THAT YOU'VE BEEN WAITING FOR  
YOU MIGHT AS WELL YOU'VE NOTHING LEFT TO LOSE  
I KNOW THAT IT'S STILL DARK OUTSIDE  
GET OUT OF BED, BOY WHERE'S YOUR PRIDE  
And I know what you want  
To take my life have me serve you  
But I might as well go  
Cos you need me more than I do
