Summer's gone, day's spent with the grass and sun,
I don't mind, to pretend i do seems really dumb.
I rise as the morning comes, crawling through the
blinds,
I shouldn't be up at this time, but i can't sleep with you
there by my side.

Wake up it's a beautiful morning,
Feel the sun shining for your eyes.
Wake up it's so beautiful,
For what could be the very last time.

Twenty five, don't recall a time i felt this alive,
So wake up boo, there's so many thing's for us to do.
Its early so take your time, don't let me rush you
please,
I know i was up all night,i can do anything, anything,
anything.

Wake up it's a beautiful morning,
Feel the sun shining for your eyes.
Wake up it's so beautiful,
For what could be the very last time.

Wake up (x8)

But you can't blame me now for the death of someone,
But you can't blame me now for the death of someone.
But you've gonna say, what you wanna say,
You have to put the death in everything.

Wake up it's a beautiful morning,
Feel the sun shining for your eyes.
Wake up it's so beautiful,
For what could be the very last time.

Wake up it's a beautiful morning,
Feel the sun shining for your eyes.
Wake up it's so beautiful,
For what could be the very last time.

Ahhhh
