### "I Want To"

I want to climb a mountain  
I want to lie naked on a rock under the sun  
I want to find a cool stream to taste  
And sing to me  
Won't you sing to me, oh...

I want to see a sunset  
From a beach that has not been touched by man  
I want to hear the ocean  
And sing to me  
Won't you sing to me, oh...

(chorus)  
This life is calling to me  
And I know its words are sweet ones  
It tells me to follow my heart  
And I know it won't let me down

I don't want to live forever  
While I'm here I want to live as much as I can  
I don't know about tomorrow  
All I know that today is where I am  
And it sings to me of  
(chorus)
