"Where The Boys Are"

Where the boys are, someone waits for me
A smiling face, a warm embrace
Two arms to hold me tenderly
Where the boys are, my true love will be
He's walking down some street in town
And I know he's looking there for me
In the crowd of a million people,
I'll find my valentine
And then I'll climb to the highest steeple,
And tell the world he's mine

Till he holds me, I'll wait impatiently
Where the boys are, where the boys are
Where the boys are, someone waits for me
Till he holds me, I'll wait impatiently
Where the boys are, where the boys are,
Where the boys are, someone waits for me
