Who's sorry now

Who's sorry now

Whose heart is achin' for breakin' each vow

Who's sad and blue, who's cryin' too

Just like I cried over you

Right to the end

Just like a friend

I tried to warn you somehow

You had your way

Now you must pay

I'm glad that you're sorry now

Right to the end

Just like a friend

I tried to warn you somehow

You had your way

Now you must pay

I'm glad that you're sorry now

I'm glad that you're sorry now...
