Ready
Ready to do my own thing
Sorry I had to pull away

Cuz all those boys dig those crazy things

Like a whine yellow stone
That set into the prom together
And now a girl gettin to a stressed out move
And go bad faster than left out fool
They say it's da lazy flow, the shawtys love
They drivin crazy dough like courtney in love
I keep a bad one that's also a good cook
5th Ave. classy mixed with da hood look
And my goodlook *them* bad for ya health
And everybody knew u can do bad by urself girl

And don't stop, put ur hands up
Soon as the beat drops
