It was like a dream I will talk about it all  
The time we spend I just knew I had it all  
You wanted what for me to give it all  
You took from me well I got just lost at all

I tell u how I feel  
It wouldn't mean a thing  
Cause if I gotta do to u  
I would see a change  
It took a while to let it go  
I'll just be alone  
Deleting all the messages  
U left me on the phone

Your actin like I'm makin this up  
Like everybody don't know what's the deal  
My boys try to tell me what's up  
Cause see by the way u wasn't real  
Why do u keep sayin everything will change  
Guess ur right I got my numbers changed yesterday

Girl u know I tried I tried to do  
Everything I could I could for u  
U became a part a part of me  
And sometimes it got to let go got to let go baby

I tell u how I feel  
It wouldn't mean a thing  
Cause if I gotta do to u  
I would see a change  
It took a while to let it go  
I'll just be alone  
Deleting all the messages  
You left me on the phone

(X2)

You actin like I'm makin this up  
Like everybody don't know what's the deal  
My boys try to tell me what's up  
Cause see by the way u wasn't real  
Why do u keep sayin everything will change

Guess ur right I got my numbers changed yesterday

Baby u I need  
To go our ways  
Because  
There aint no way  
I see no change  
Take care, farewell  
Adios, good bye

(X2)

U actin like I'm makin this up  
Like everybody don't know what's the deal  
My boys try to tell me what's up  
Cause see by the way u wasn't real  
Why do u keep sayin everything will change  
Guess ur right I got my numbers changed yesterday
