We've been through so much pain together
We've shared a hundred different lives
And if you take my hand I'll take you on home
Out in the world with the fast lane slowing
I wanna feel you say you wanna be mine

So I spent the night alone
Cause I couldn't find the reason why she'd go
I broke my neck for harmony
I'm tired you see of being alone

Couldn't find a reason why she'd go
Yeah
Couldn't find a reason why she'd go

We've been through high and low together
We sailed the oceans through the skies
And if you take my hand and dry your little eyes
I'll be your morning and you can be my sunrise
The coffees hot and the breakfast is fine

So I spent the night alone
Because I couldn't find the reason why she'd go
I'm drowning in my misery
I'm so tired of being alone
Couldn't find the reason why she'd go
So Tired of being alone

Couldn't find the reason why she'd go
Reason why she'd go
Couldn't find the reason why she'd go
Yeah
Couldn't find the reason why she'd go

Make way for your holiday
And you know that I'm alright
You got torn between two lovers child
And you hold them in the same light
You gotta take care of your mamma
You gotta find what she wanted to do
And the perfumes change a million times

I can't get my baby back to you

Couldn't find the reason why she'd go
I couldn't find I couldn't find baby
Couldn't find the reason why she'd go
Reason why she'd go
Couldn't find the reason why she'd go
I couldn't find, Couldn't find baby
Couldn't find the reason why she'd go
Yeah Yeah Yeah Yeah
Yaeh Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah Yeah
Yeah Yeah Yeah Yeah Yeah
