Let's do it
Ho
Nanananananaaa
Haaa baby girl
Mister futuristic
U did it again yo
Let's do it to em
Francisco

Yo
Drivin'
On the streets
At night
Checken out
The city lights
On my way
To get my girl
Wanna take u
Around the world
So I took her
On a trip to friends
And we drank
All night and danced
And we kissed
Under the moon

Girl
I give my word to u
There's somethin' I
Wanna tell u my love
And I know
There's somethin' u
Wanna tell me too
And if there's
Somethin'
That we can do
On our own
And jus take my hand

Baby
I won't let u go

(Let u go) (2x)
If ur love
Is guaranteed
And I know
I don't need
Anyone else but you
And you know
That if my love
Is guaranteed
And I know
U don't need
Anyone else but me
