"Here For You"

Visit "[Here For You](#)" on MotoLyrics.com

Hey pretty lady
Why you're lookin so down
Seemes like you need some lovin
Should have your man be around
Tell me, why do you cry
Let me wipe the tears from your eyes
Let me be your confident
Be the friend that your man just can't

He made you feel like you are unworth
When ur a dime, from head to toe
And I can seem to let you go
But you're better off you know
I know it's so

Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
Or comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you
Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
Or comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you

Ooh sexy sexy lady

Why would you be with someone that broke ur heart
You deserve attention, affection
And he wasn't doin neither from the start
I hate to see you like this
If you were mine you'd forget what pain feels like
Now tryna use your weakness from my advantage
I just wanna make things right

He made you feel like you are unworth
When ur a dime, from head to toe
And I can seem to let you go
But you're better off you know
I know it's so

Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
I'll comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you
Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
I'll comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you

Hold on, hold on, hold on, hold on, hold on
I'm right here to hold u babe
Be strong, stay strong, I know that you are strong
Take my hand

(Spanish part)

Yeah... hey yeah hey hey... oooh oooh

Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
I'll comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you
Can I can I
Can I talk to you
Give you a hug and know,
That I show you love
I'll comfort you
Do whatever you wanna do
Be by your side mami
I'm here for you

I am here for you baby (I am here for you...)

Yes I am, yes I am, yes I am... hmm
